

MAREX 375

“
A cruiser shaped
by **experience**”

A Beloved **Classic**

The Marex 375 is a boat that delivers unforgettable moments onboard. Whether you're planning a weekend with friends or a long family getaway, the 375 gives you the space, comfort, and freedom to enjoy boating life without compromise.

The Marex 375 has become a classic in the shipyard range: a timeless design, paired with practical features. Marex has implemented feedback from passionate owners has helped shape the 375 into one of the most versatile and family-friendly models on the market today.

An **Inviting** Salon

A sliding door provides a comfortable ambience in all kinds of weather, making it possible to heat or cool to create the perfect temperature. Make yourself comfortable with up to 8 family members or friends at the wrap-around sofa. Opening sections in the windows creates good, fresh air flow.

Space that adapts

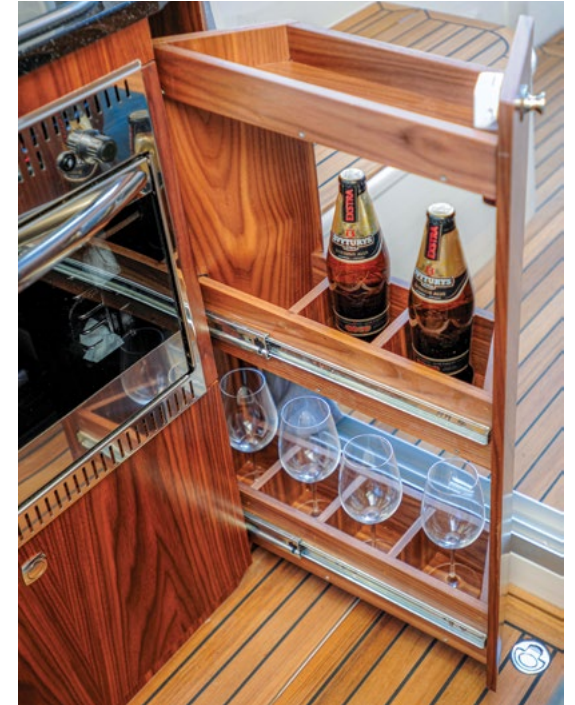

The table inside provides great seating for 8 people with two pull-out bar chairs. The dining area quickly becomes a favourite relaxing spot on board. If needed, it also converts to a bed.

Co-pilot seat

Whether you're sharing a meal or would like to navigate with the captain, this multifunctional co-pilot seat adapts to every moment on board. The clever reversible seat easily transforms from the part of the dining area to a face-forward seat, making cruising social.

Galley

The galley is a great example of thoughtful design. The gas hob comes with a cover, and the sink is fitted with wooden panels, they also work as cutting boards. These small details help extend the usable countertop space.

Choose between an oven or a larger fridge, depending on your cruising needs.

Smartly arranged storage like multiples drawers makes it easy to organise all kitchen utensils and provisions for longer trips.

Optional solar panels mounted on the roof can power the fridge and other onboard equipment when you staying away from the marina.

- Gas or induction cooktop
- Oven
- Sink
- Fridge 130L /4.6 cu.ft
- Freezer/fridge 29L /1 cu.ft
- Optional solar power for light and fridges

GALLEY

Aft Cockpit

Step aboard, and the first thing you'll notice is how effortlessly the main deck brings people together. The open cockpit flows into the salon with a seamless connection to the swim platform, creating a social hub where no one feels left out.

A large U-shaped sofa wraps around the dining table that provides seating for up to 8 people. The table converts to a sunbed for a perfect afternoon relax.

AFT COCKPIT

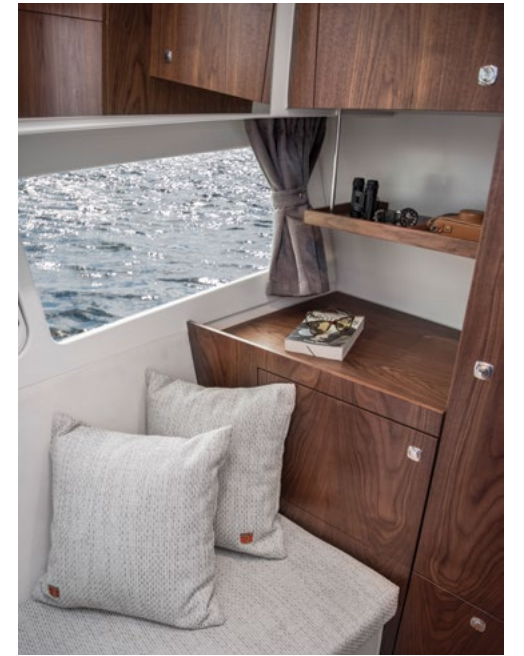

Cabins

There are two spacious cabins on the lower deck allow to feel a good comfort even for a longer cruising. Both cabins features large beds, a lot of drawers and cupboards that increases the comfort feeling. Midship cabin has a dressing room in the entrance with a sofa.

Bathroom

A spacious restroom with a separate shower cabin and a U-shaped countertop provides a lot of space for all bathroom necessities, making it feel like a true home away from home.

MAREX

KING OF THE SEA

Safe feeling

All Marex boats are built with safety in mind. Handrails and handgrips throughout provide protection and confidence for the entire family. Wide side passages lead to the foredeck, which features a large sunpad. It also can be used as a floating water toy.

Fender Boxes

Lockers keep the 375's passageways safe and clean, enabling the fenders to be constantly attached to the boat. They can be quickly deployed and easily flipped out.

Enclosure

The Marex 375 cockpit can be easily protected by closing the sliding hardtop and quickly deploying the Marex Canopy System. Curtains pull out from the vertical lockers in the arches, allowing the entire area to be enclosed in a matter of seconds. This flexibility lets you have all benefits of open boat but effortlessly transform the space into a comfortable, enclosed cockpit whenever needed.

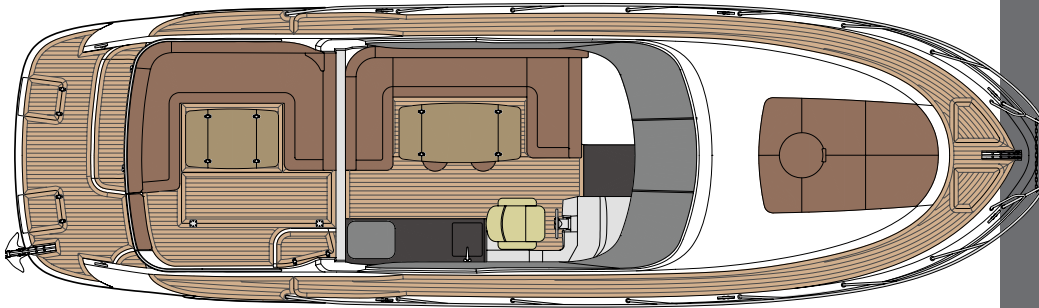

Engine choices

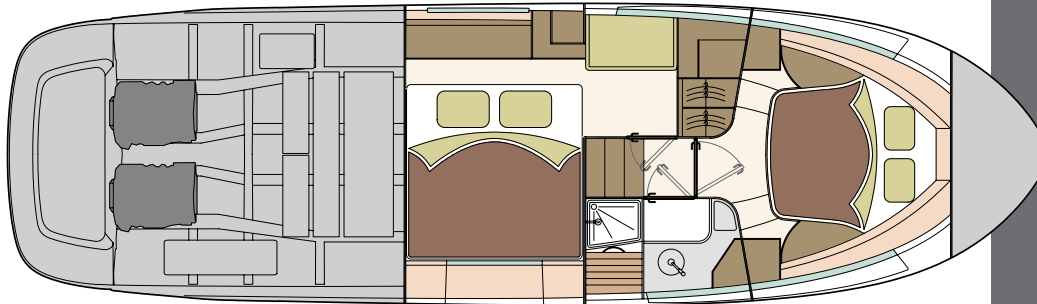

An elegant helm provides the essential Marex experience. The wheel can be adjusted for a standing or sitting driving style, and the seat's position can be regulated using bolster support. The 375 has several engine options, including

shaft drives or sterndrives, single engines or twins from 400 to 600 horsepower. Extensive soundproofing reduces noise levels in all the guests' areas, regardless of the engine choice.
